<u>Pupil Deprivation Grant (PDG) Statement 2022-2023</u>

<u>Ysgol Gynradd Aberporth</u>

The Pupil Deprivation Grant (PDG) is allocated to schools with pupils who come from low-income families and are currently known to be eligible for free school meals (FSM) and pupils who have been looked after continuously for more than six months (LAC).

The financial allocation to Ysgol Aberporth for the financial year 2022-23 is £43,700

Schools are expected to make the best use of this funding to implement sustainable strategies that will quickly bring about changes for learners eligible for free school meals or who are LAC.

As a school we have agreed the following steps:

- to identify the target group of pupils, its characteristics and needs
- to plan interventions which make the most effective use of resources in order to develop literacy and numeracy skills through various intervention programmes such as Satpin/Trandep, Maths Input, Read write Inc, tric a chlic, Cyfri Ceredigion, Springboard; including intervention programmes to meet pupil's social and emotional needs such as the Sensory Circuits, Lego intervention, ELSA and SULP "Talkabout"
- to monitor and evaluate the impact of resources
- to provide second hand school uniform and P.E. kit
- to provide enriched learning experiences/educational visits
- to contribute towards the Urdd membership
- to contribute towards peripatetic music lessons

At Ysgol Gynradd Aberporth, we have a comprehensive plan, agreed and monitored by Ceredigion Local Authority, to promote progress and remove barriers to learning for students eligible for this funding. We have used the funding available to:

- provide intervention and support to develop the social and emotional skills of the learners
- focus on pastoral care and deal more directly with the specific needs of disadvantaged learners
- to listen to disadvantaged learners and provide opportunities for them to participate fully in school life
